

NOTO LIVE

Busker Application

As a celebration of art, NOTO invites performance and visual artists to apply as buskers (street performers). Buskers will be assigned a location with the expectation of starting at a designated time and performing for a minimum of 30 minutes. Performing artists may be assigned multiple performances; visual artists may be allowed a longer time period as space and schedule allows. There is no fee for application. Any payment for performance is only by audience appreciation (tips). Buskers may have items for sale (e.g. prints, CD's) but the primary intent of busking is performance. If the sale of merchandise is the priority then a vendor application is more appropriate.
