

First Friday Vendor Agreement

The NOTO Arts and Entertainment District organization manages locations throughout the NOTO District that serve as market areas, private property where vendors may sell items on the property as part of a market without obtaining a transient permit from the City. Others who are not selling items but rather promoting a cause will be treated the same as a vendor. NOTO shall not sponsor or engage in transactions, such as lease of event space, to any individual or organization whose intent is to campaign for a political candidate, party, political position, or otherwise serves to minimize, denigrate, or exclude a segment of society.

The cost of non-food vendor 10 x 10 space on First Friday, located at the NOTO Arts Center Teeter Courtyard or Breezeway Park is \$40. Payment must be made in advance; space will not be reserved until payment is made in full. Vendors are required to sign an agreement outlining rules and responsibilities.

NOTO events and activities take priority. NOTO reserves the right to cancel a market vendor agreement at any time. NOTO reserves the right to refuse entering into an agreement. Failure to comply with the conditions set forth in this agreement is cause for immediate cancellation of agreement as well as refusal of future agreements.
